Session information

Trends and hot topics in Real Estate – round tables

Thursday 5 June (1115 - 1200)

Join us for a lively, interactive debate about recent and hot topics and trends in the real estate markets. The topics for the tables are as follows:

1. Affordable housing initiatives are expanding. For good or bad?
2. Conversion from Office to Residential.
3. Short-term rentals which are continuing to rise.
4. Restrictions on foreign real estate ownership.
5. Trends in leisure industry.
6. Buyer beware: How to obtain good title/ownership in real estate.
7. Change in U.S. government: Impact on the real estate industry.
